### **13. PARTICIPANTS**

In the competitions can participate: owners of LAF, ASN issued driver's licence or drivers, that have one-time start authorization.

### **14. HRONOMETRU TRANSPONDERI**

In the events is being used MYLAPS timing system. During the competition all participants have to display the transponders. Organizer provides transponders. The transponders must be affixed to brackets of the go-karts before the free practice. Transponders should be placed all racing day long on the back side of the racing seat, not more than 20cm above the ground. Drivers are responsible for the hired transponders.

### **15. PIZE GIVING CEREMONY**

The winners of the first three places are rewarded.

### **16. PROTESTS AND APPEALS**

Protests and appeals must be filed in accordance with the LAF Sport Code. During the competition, the decisions of the Commissioner, published on the official report board, cannot be disputed.

### **17. ADDITIONAL INFORMATION**

- During the race, third party liability is insured.
- Each team has 2-3 drivers.
- The minimum weight is set for the karts:  
in the team of 2 drivers, the team's minimum weight is 350 kg (each pilot is weighed with a kart and then counted together);  
if the team has 3 drivers, the team's minimum weight is 525 kg (weigh each pilot with a kart and then count together).
- Each team must make at least 8 shifts.
- Refueling during the race takes place only at a specially designated place and with specially designed funnels (organizer will provide), which will be indicated at the drivers meeting.
- • Driving in the boxing: the team representative expects the driver who drive in boxes, in a certain place and accompany them to the box.

- • The driver change can be done only when the kart is completely stalled.
- Safety car: at the moment when the safety car is on the track, it is prohibited to enter the box.
- • Exchange in the box: the minimum exchange time is 2 minutes, otherwise the penalty is 30 seconds.
